Thursday meeting

Deepti Aggarwal

February 15, 2013

1 Minutes of the meeting

- Discussed directions of Alipi on:
  - personalizing the web content with metrics and units.
  - Hosting a repository consisting of Alipi development on Pascal.
  - How to form communities for Alipi: One idea is to present Alipi to people of different domains such as in hospital.
  - Work on publishing next paper and a journal on Alipi.

- Discussed CHI reviews on Power of Friends submission:
  - Make required changes in the paper and poster as mentioned by the reviewers.

- Discussed CMU internship
  - One possibility is to go as a student but in that case thesis may be delayed. Second possibility is to go as an RA and keep it separate from degree. In either case, finish the thesis before leaving.
